

Superhero

Somewhere in the shadows lurks an evil foe, scheming how to fill our minds with hate.
Feeding from the newsrooms, web, and radio. We must act before he seals our fate.

You're a superhero, that's for sure. You control the greatest pow'r on earth!

chorus; parts 1 & 2 (optional):

Standing at the crossroad of infinity.

We can set the course of our own destiny.

We can find the force within ourselves somehow.

part 1: Only love can save us now!

part 2: Only love can save us now!

part 1:

Free your mind from hatred. You can save the world.

Selfless acts of kindness have great pow'r.

Strive to show compassion. Show the world you care.

Knowing this can be our finest hour.

You're a superhero, that's for sure.

You control the greatest pow'r on earth!

repeat chorus

parts 1 & 2 (opt.):

Only love can save (divisi, opt.): us now!

We All Need Peace

We all need love so we can fill the world with hope.

We all need hope so we can build a lasting peace.

We all need peace to keep our dreams alive.

We all need peace to make our planet thrive.

We need to sing so that the world can hear our song.

We need a song so that the world can sing along.

Our song will spread, its message loud and clear.

Our song will spread to people far and near.

parts 1 & 2 (optional):

Together we can learn to harmonize. To bring together diff'rent views.

We'll find a million ways to verbalize a message strong and right and true.

We all need love (We all need love.) so we can fill the world with hope. (Fill the world with hope.)

We all need hope (We all need hope.) so we can build a lasting peace. (Build a lasting peace.)

We all need peace to keep our dreams alive.

We all need peace to make our planet thrive.

To make our planet thrive. To keep our dreams alive.

part 1:

We all need love.

We all need hope.

We all need peace.
